

drum

a musical instrument  
that makes a sound  
when it is beaten

clattering

making a noise like  
plates or silverware  
striking together

voice

the sound you make  
with your mouth

jingles

to make or cause to  
make sounds like bells

silver

a shiny white metal;  
used to make coins,  
jewelry, and other  
things

borrow

to get something from  
someone else just for  
a short while
